On October 23, 2013 Scott Fischer lost a lengthy and courageous battle with cancer. Scott was a well respected, loyal and hardworking member of the Jefferson Community. To keep Scott's passion and spirit alive we are seeking funds to support a nature preserve for the Jefferson community.

Due to damage sustained in the Great Flood of 2008 the location of the Original Rivers Edge Market has been designated as land for a nature preserve. All proceeds will go to funding and continued maintenance for the Rivers Edge Nature Preserve. We are raising funds to purchase benches, waste receptacles, signage, and additional enhancements for the Nature Preserve. Please Join us in honoring Scott with this Lasting Gift to the Community.
